

Sumit Nikhare

Experience Designer

I'm focused on creating meaningful experiences through design.

Jan 2023 - Present

UI/UX Developer - Khushi Baby (Non-Profit NGO)

Revamped ASHA & ANM Mobile App with intuitive interfaces for RMNCH+A, TB screening, and MCHN session approvals. Tailored user profiles and streamlined onboarding enhanced user engagement. Led UI/UX for ABDM-ABHA, aligning with certification needs. Directed design of GoK App, spanning 100+ screens for OPD, Patient Registration, and Inventory Management, prioritizing seamless navigation. Conducted extensive UX research and developed prototypes for user-centric interfaces. Ensured smooth integration with development teams.

Mar 2023 - Dec 2023

Associate UI/UX Designer - Permute Solutions Pvt. Ltd.

Established Design Component Libraries for Anarock's digital assets and TARP Agile Platform, ensuring brand consistency and efficiency. Translated complex workflows into userflows, facilitating communication between teams. Orchestrated handoff processes for accurate implementation. Executed branding initiatives for Permute, designing collateral and crafting engaging social media posts for LinkedIn to effectively communicate brand identity.

May 2021 - Jul 2021

UI/UX Design Intern - Reddway.In

Designed and developed promotional, confirmation, and alert emails to ensure brand consistency and effective communication. Implemented UI/UX for order fulfillment, emphasizing usability and efficiency. Crafted intuitive designs for the Seller Dashboard, offering clear insights and tools for effective account and product management.
